

EXPAND OUR UNIVERSITY OF TEXAS BASE AND TRAINING CENTER

AUSTIN.CAMPUSRENEWAL.ORG

We made changes to raise funds centrally rather than requiring our UT staff to raise funds and do all their other responsibilities. This gives them a greater amount of time to broaden our UT Base.

OPPORTUNITY INVESTMENT: \$20,000

With these funds we will do all of the following this Spring:

-  **pay** new staff at UT
-  **expand** our 24-7 prayer and training facility to allow for larger groups and worship teams
-  **develop** an app any student or pastor can use to post prayer requests from anywhere in or around campus into a map and list on a large digital screen in the 24-7 prayer facility
-  **recruit** and host more campus ministers and student leaders weekly to pray and plan together
-  **facilitate** several campus-wide events like Rez Week involving several thousand students

CAMPUS MINISTRY LINK 'TELL EVERY STUDENT' CAMPAIGN

WWW.CAMPUSMINISTRYLINK.ORG

2.2 Million new Freshmen will start school in the Fall next year. At least several hundred thousand of those are active Christians. National studies show 60% of those will stop following Jesus in college. Most of the groundwork for that trajectory is based on the communities they connect with the first month of school.

We built the relational network to solve this problem. We grew the partnerships nationally. We meticulously planned and launched the website. Now we need your help to directly let every high school senior, their youth ministers and parents in our nation know about the network and online tool. The demand for such a tool is very high. People just need to know that the solution they want now exists.

OPPORTUNITY INVESTMENT: \$50,000

We will create targeted digital ads across America that will show specifically to anyone who is heading off to college or their parents on major social media sites and in search engines. Our goal isto reach the majority of all incoming Freshmen at the lowest possible cost per impression. The more people who use the site the more we can sell ads and the more self sustaining the online tool will be. Will you join with us?

CAMPUS MINISTRY LINK MISSIONAL TRAINING COURSE AND MARKETPLACE LAUNCH PLATFORMS

WWW.CAMPUSMINISTRYLINK.ORG

The end goal of Campus Renewal is to send out more workers to spread the Gospel in all areas of culture. (Luke 10:2) We will build a platform and network of relationships for businesses who want to employ people who are strong in their faith to post jobs or internships on our Campus Ministry Link site. It will allow graduating Christian college students to search for and connect with these jobs or internships that best fit them.

We will publish on the Campus Ministry Link site an on demand high quality course with video and other content that trains incoming Freshmen how to thrive inas a missional influencer in college. The students can then start the year by reaching out to other freshmen peers who don't know Jesus. This is a double multiplier: campus ministries don't have to spend as much time reaching Christian Freshmen during the Fall so they can focus on non-believers and Christian Freshmen are mobilized to help them do that.
